

# SKYDECK 88 EDUCATION

## OUR CITY

NAME: .....

1. As you enter the foyer of the Eureka Tower find out the price for entry. When you have time calculate how much it would cost for **your family** to visit. Would it be cheaper to buy a family ticket or individual tickets?

How many adults:	X	Cost per adult:	=	Total adult cost
.....	\$	.....		\$
How many children:	X	Cost per child:	=	Child cost
.....	\$	.....		\$
			=	Total Cost
				\$

Cost for Family Ticket (2 Adults & 2 Children) \$39.00, Extra Child \$7.00

2. You will now experience the amazing interactive table called the Serendipity Touch and Discover Table. This cutting edge technology contains a wealth of information about the city of Melbourne & Victoria - from Art and Leisure to the People of Melbourne and much more.

The Serendipity Touch and Discover Table contains coloured cubes, with each colour representing a theme. In a group, choose one colour each to explore, write down one fact for your chosen colour. Share your information with the other people in your group and you will have 5 interesting facts about Melbourne.

Colour of cube on Serendipity	Person to explore this colour	Your interesting fact

## OUR CITY

3. Be sure to catch the short video that is playing just near the Serendipity Touch and Discover Table, which shows interesting facts about Eureka Tower.

How far does Eureka Tower sway in the wind? .....

You will now be heading up to the Eureka Tower Skydeck. Do you know how fast the Skydeck Elevator travels? .....

A non-stop journey takes just 38 seconds (or you could take the 1,840 stairs!)

4. When you arrive at Level 88 you will be astounded by the views that greet you. Write down the first three words that come into your mind as you experience the breath taking views for the first time.

.....

5. What modes of transport can you see as you look down from the Eureka Skydeck?

.....

.....

6. List 8 different landmarks you can see. Place a tick next to any you have visited before. (Hint: Use the viewfinders around the Skydeck to help you name the landmarks you can see)

1 .....

## OUR CITY

10. Imagine what the city would have looked like 100 years ago?

Write down some words that describe what you may have seen if you were looking out over Melbourne 100 years ago?

(Hint: the video screen in the North-East corner of the Skydeck may help)

---

---

11. Imagine what the city will look like in 100 years time?

Write down some words that describe what you may see if you were looking out over Melbourne in 100 years time?

---

---

12. Many shapes make up what you see when you look outside. See if you can find the following shapes and what they are on or near:

2 Dimensional Shapes	Where can you see this shape?
Circle	
Square	
Oblong	
Diamond	

3 Dimensional Shapes	Where can you see this shape?
Sphere	
Cube	
Rectangular Prism	
Cylinder
